

### **NEW SERVICE "HOTEL SKIPASS SERVICE"**

In order to make the purchase of the skipass more easy and convenient, from this winter season 2010/11 Dolomiti Superski offers a new service called "HOTEL SKIPASS SERVICE". The customer can purchase the skipass for adults (except skipasses for juniors and seniors, free skipasses for children up to 8 years as well as 12 days in season and season skipasses), Dolomiti Superski or of each single ski area, on the following website: [www.dolomitisuperski.com](http://www.dolomitisuperski.com). Once the customer has bought the skipass by credit card, a code is sent to the booked accommodation. The host will collect the ski pass from the point of sell and deliver it to the customer at the hotel upon arrival, thus saving the guest an extra trip to the sales office. The hotels that provide this service will be marked with a small icon on the Dolomiti Superski website.

### **HOW THE SERVICE WORKS**

The customer can purchase the adult skipass only (from 1 - 14 days, Dolomiti Superski or one single ski area) by credit card on the website [www.dolomitisuperski.com](http://www.dolomitisuperski.com) under the menu item SKIPASS without any additional cost. Purchases may be made up to 48 hours prior to arrival in the booked hotel. In the booking form the customer indicates the establishment which is signed up to the initiative and which then will get a voucher containing a barcode. The host can pick up the skipasses at a skipass office by presenting the voucher, and hand them over the customer on arrival.
